Optional: For changing runflat tyres (RFT) the TF311 can be extended by an assistance arm (1695903411)

### Scope of delivery:

- Inflation gun with pressure gauge
- Mounting lever

Color: RAL5015

## Technical Data

|                           |            |
|---------------------------|------------|
| Tyre width max.           | 320 mm     |
| Max. wheel diameter       | 1050 mm    |
| Compressed air connection | 8 - 10 bar |
| Weight                    | 260 kg     |
| Max. wheel width          | 13 "       |
| Power supply voltage (AC) | 400 V      |
| Power supply frequency    | 50 Hz      |
| Depth                     | 1120 mm    |
| Height                    | 1710 mm    |
| Width                     | 1050 mm    |
| Rotation speed            | 6,5 rpm    |
| Packaging length          | 1150 mm    |
| Packaging width           | 980 mm     |
| Packaging height          | 1070 mm    |
| Gross weight              | 292 kg     |
| Phases                    | 3          |
| Number of mounting speeds | 1          |
| Min. inner clamping range | 11 "       |
| Max. inner clamping range | 22 "       |
| Min. outer clamping range | 9 "        |
| Max. outer clamping range | 20 "       |
